[redacted] a member of my staff, was formerly employed by the Central Intelligence Agency (CIA). I would like to utilize his expertise in the selection of the compartmented and non-compartmented programs, in the various directorates that will be reviewed by selected members of the Information Security Oversight Office (ISOO). As discussed in our conversation, you may sanitize the documents selected, and only a sampling will be required. STAT

[redacted] under Executive Order 11652, worked with [redacted] from the CIA, and subcommittee members of the Interagency Classification Review Committee (ICRC) to review appeal cases involving CIA documents. He holds Top Secret, SI, TK and "Q" clearances.

I appreciate your cooperation in developing a viable program that will assist the ISOO in monitoring the CIA information security program as required under the Order.

Sincerely,

MICHAEL T. BLOUIN
Director
